## Proposed Lions Club Hamilton - Te Totara

Lions Clubs get started when members of the community are invited to join. Lions Volunteers host several informational meetings to continue building membership and to discuss possible project ideas that are meaningful to the community.

Once a club has 20 - 25 members, club officer elections are held and the charter application is submitted to Lions Clubs International.

Lions Clubs have offered people the opportunity to give back to their community and help those in need since 1917. Soon, a lions Club will be established in your community, giving you the opportunity to become an active volunteer, a member of a respected international organization, a leader in your community and a friend to people in need.
