Hi kids welcome to kids first

Welcome back! I hope you had a great Easter and a cool holiday! I've spent my holidays learning about the stars and a special time called Matariki. I'm going to tell you a bit about it in this newsletter and maybe you will celebrate it - it starts on 28 June this year.

Make sure you get colouring and enter the competition on the back page - wouldn't it be awesome to win \$50 for your savings! And don't forget to keep saving - you'll reach your goal in no time!

Matariki

Matariki is the Māori name for the cluster of stars also known as the Pleiades. It rises just once a year, in mid-winter. For many Māori, it heralds the start of a new year.

The word Matariki means the 'eyes of god' (mata riki) or 'little eyes' (mata riki). According to myth, when Rangiui, the sky father, and Papatūānuku, the earth mother, were separated by their children, the god of the winds, Tāwhirimātea, became so angry that he tore out his eyes and threw them into the heavens. Traditionally, Matariki was a time to remember those who had died in the last year. But it was also a happy event - crops had been harvested and seafood and birds had been collected. With plenty of food in the storehouses, Matariki was a time for singing, dancing and feasting. Matariki, or Māori New Year celebrations were once popular, but stopped in the 1940s. In 2000, they were revived. A special feature of Matariki celebrations is the flying of kites - according to ancient custom they flutter close to the stars.

SEE IF YOU CAN SPOT MATARIKI THIS YEAR!

STOREHOUSES WOULD BE FULL OF TASTY KAI LIKE KUMARA!
