STAFFING NEWS

Congratulations to three of our wonderful teachers for gaining their full registrations as teachers. They have all participated in our Provisionally Registered Teachers Programme overseen by Michele Gordon, who has led over 20 teachers in our school in gaining this qualification. Well done to:

- **Inge Alferink**
- **Komal Kumar**
- **Logan Ganley**

STAFF APPOINTMENTS:

We are delighted to announce the following staff appointments:

Leadership Roles

- **Cath Glyde** has been appointed as Team Leader in the Kōpū (Year 2) Team. Cath is an existing staff member who has had very successful experience in teaching at this year level and other leadership roles in the school
- **Caron Ace** has been appointed as the Team Leader of the Orion (Year 1) Team. Caron has a wealth of successful experience in this area of the school as an existing teacher of this team

Both our new leaders have been busy already attending leadership meetings and preparing for their new roles and we are excited to have them continue their careers with us.

Teaching Roles

We welcome a further three teachers to our school next year:

- **Karen Langley**, who is an experienced teacher who has taught locally and overseas and brings considerable skills across the curriculum. Karen has already been with us as a guest teacher in our school and has made a very positive impression with the children and staff alike.
- **Levi Knudsen** comes to us from the Hauraki Plains area originally and has been in our school already in Earth 35 as a student from the University of Waikato. Levi is beginning her teaching career with us and she will be one of over 20 teachers we have successfully supported to start their careers at Te Totara through our Provisionally Registered Teachers Programme.
- **Lauren Loye** joins us as a local and has been with us last year as a student teacher, she will be starting her teaching career with us next year.

Staff Leaving Te Totara Primary School

We congratulate these teachers who have won teaching positions in other schools and thank them very much for their wonderful service; they all leave with our very best wishes for their futures:

Naomi Courtney-Tennent who is moving back to Whakatane, we thank her for her wonderful work; she will be missed with her wonderful skills as one of our Sports Team leaders and across the curriculum.

Ryan Jordan who is moving to our good neighbours Bankwood School, to further his professional learning journey and career. He has contributed much during his four years not only in the classroom but also Tikanga and Kapa Haka in our school.

Sarah Rasmussen who leaves us to further her career at Hamilton East School after two years with us. As well as her curriculum and teaching skills, we have been fortunate to have Sarah help with our digital communications i.e Facebook page and photos that you see each week.

YEAR 6 LEAVERS SUPPER

On Tuesday evening we were able to celebrate the achievements of our Year 6 Leavers, who have been a fantastic group, so talented and have been wonderful role models for our other students. We look forward their last public performances as students at our school on Monday 12th December at the End of the Year Celebration.

OUT-OF-ZONE ENROLMENTS PERIOD FOR 2017

Enrolment at the school is governed by an enrolment scheme, details of which are available on our school website www.tetotara.school.nz

The Board has determined that **3 places for New Entrant (Year 1) students** are likely to be available to out-of-zone students whose 5th Birthday falls within the enrolment period of 1st March 2017 – 30th June 2017. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

The deadline for receipt of out-of-zone applications is **3.00pm on Tuesday 31st January, 2017** and should be addressed to:

Te Totara Primary School
PO Box 28134
Hamilton 3256

Parents of students who live within the home zone should also apply by this date to assist the school to plan appropriately for next year. Students who live in the home zone are entitled to enrol at the school.

Applications from out-of-zone students will be processed in the following order of priority:

- a) **First priority** must be given to students who have been accepted for enrolment in a special programme(s) run by the school and approved by the Secretary of Education*.
** This priority is not applicable at this school because the school does not run a special programme approved by the Ministry of Education*
- b) **Second priority** must be given to any applicant who is the sibling of a current student of the school.
- c) **Third priority** must be given to any applicant who is the sibling of a former student of the school.
- d) **Fourth priority** must be given to any applicant who is a child of a former student of the school.
- e) **Fifth priority** must be given to any applicant who is either a child of an employee of the Board of the school, or a child of a member of the Board of the school.
- f) **Sixth priority** must be given to all other applicants.

If the number of out-of-zone applications exceeds the number of places available, students will be selected by ballot supervised by a Justice of the Peace, a Practising Lawyer or a Police Officer in accordance under Section 11G (1) of the Education Act 1989.

If a ballot for out-of-zone is required, it will be held on **Friday 3rd February 2017**. Parents will be informed of the outcome by **Thursday 9th February, 2017**.

WEET-BIX KIDS TRYATHLON – SUNDAY 19TH FEBRUARY, 2017

Juniors aged between 7-10 years OR Seniors aged between 11-15 Years

If your child is interested in participating in the Weetbix TRYathlon as part of our Te Totara Primary School group, registrations are done online for each entrant by parents/caregivers – they are not done through the school. However, to be acknowledged as part of our school group, please ensure when registering your child that when you come to "Which School do you attend", you choose the school group "**Te Totara Primary School**" in the drop-down box, and then check the small box underneath to confirm you want to be linked to our school group.

We'd love to win "biggest school group" again but if you don't check the box to link to the school group, it won't recognise you as being part of it! All the information you need is on the Weet-Bix Kids Tryathlon website <http://try.weetbix.co.nz/> but for your information, the TRYathlon is on **Sunday 19th February, 2017** and it is held at the Waikato University grounds. Please check the website for any other information you need.

Nothing needs to be returned to school, we are just trying to get some information to you before the school holiday break so that you have time to check out the website and get your registrations in!

Don't forget to start swimming, biking and running!!

We ask ALL families to please check your child's uniform on a weekly basis to ensure they are wearing their own uniform, rather than someone else's.

2016 YEAR BOOK THANKS

Every year we put together a Yearbook to showcase our children and the wonderful learning that takes place during the year. As you may understand this takes a lot of time and effort to put together and also costs a bit to produce. We ask within our community for people that would advertise in the book so that the cost of the book to you is not too high. We do this so that every family can get one as the children love it so much.

We would like to thank our community for choosing to support us.

Many thanks to: Ollington Electrical, Direct Group, Noel Leeming, Bremner and Associates, TKMA Martial Arts. Please support them if you can.

ALL LIBRARY BOOKS DUE BACK

All library books should have been returned to the library by Monday this week, however we still have **532 books still outstanding**. Could you please have a good look for any library books around the house, no students should have any books at home.

HOLIDAY READING

Over the holidays students can experience the "summer slump." This is a loss in reading achievement over summer if children stop reading.

Providing some fun reading experiences during the holidays can help prevent the summer slump.

Here are a few ways to get children reading:

- Read aloud to your child. It is the single most important activity for building the knowledge required for their own success in reading. It stimulates their imagination and improves their language and listening comprehension skills.
- Encourage your child to read anything – the TV guide, magazines, joke books, recipes, travel guides, video game instructions...
- Find a series for your child to get hooked on. This will make choosing the next book to read easier. A recent survey showed that the primary factor in choosing a book for 7 – 12 year olds was a familiar character or series.
- Find books that match your child's interests – arts and crafts, skateboarding, cooking, animals...
- Read graphic novels. These comic books can be really appealing for children.

SUMMER READING PROGRAMME

Once again Te Totara's Library is part of Hamilton City Libraries' Summer Reading Programme. This means that you can sign up for the programme, report in to our librarians, and receive an incentive straight from our library. This year the programme is called "Who's Your Hero?" It is free and is for children aged 5-12 years. It is a great way to encourage children to keep reading through the holidays. Please ask one of our librarians, Michelle or Esther, if you would like to know more. If you would like to sign up you can do that any school day from 8.30am - 9.00am. Places are limited so be in quick.

LIBRARY OPEN DATES

We are happy to confirm that our Library will be open **every Wednesday** in the school holidays from **1.00pm – 4.00pm**.

In order to be able to issue books during the holidays students must be accompanied by a parent, have no outstanding invoices or overdue library books and be returning to Te Totara next year. We will be increasing our lending limits to a maximum of **six books** per student, and each parent can also borrow up to ten books in their name. All books will be due back by 10 February (the end of the second week back at school). This means that if you are away for some of the holidays you don't have to worry about your books being overdue.

If you are staying in Hamilton we would love to see you. It is a nice way to meet up with friends, while the kids have a play on the playground and then take home some new books to read. On Wednesday 18th January we have the Hamilton Libraries team coming in from 2.30pm to run some activities.

READING WONDERLAND COMPETITION

To celebrate our first year in the Reading Wonderland, the Library is holding a special Reading Wonderland Summer Holiday competition. Students are invited to come up with a story, play, comic strip, poem or rap, picture, video, or anything else creative. Whatever they choose it must have something to do with the Reading Wonderland. We'll choose some of the entries and put them into a special book about the Reading Wonderland that will be able to be borrowed from the Library (we'll include QR codes that link to any videos). The competition is open to everyone, including the Year 6's who are about to leave us and our new Year 1's who are about to start in 2017. To find out more have a look at the poster on the library window, or on the homepage of the school website.

BELLA GOFF

As many of you know one of our students, Bella Goff, has been undergoing treatment for Leukaemia over the past year. Bella's family set up a "Give-a-Little" Fundraising page earlier in the year to raise money towards fulfilling Bella's dream of going to Disneyland at the end of 2016. Well.... I am delighted to say that she and her family left for Disneyland last weekend. Our school supported Bella with a Mufti Day back in February and we are thrilled to advise that Bella has now finished her treatment, is back at school part-time and is well enough for her dream to finally come true.... she is very excited!

The below extract is from Bella's Give-a-Little Page (February 2016):

"Our brave, sweet 7-year-old daughter Bella is fighting a rare type of AML Leukaemia (cancer in the blood + marrow). She is enduring intensive chemotherapy treatment for over 6 months and her dream is to visit Disneyland this Christmas 2016, once she has kicked this disease in the butt!! (her words).
