Jimmy

Hey kids! Welcome back!

I can't believe it's term 4 already! I hope you all enjoyed your holiday! I had lots of fun with my friends - even with all that rain!

I've been thinking that some of you might not know why your Jimmy Jumper account is so awesome, or what happens when you turn 12. So read on...we've got kids accounts covered! Make sure you enter our wordfind competition - you could win \$50 for your savings!

Stay cool super savers!

saving for kids!

OINK!

The Jimmy Jumper savings account is designed especially for you kids!

It's a great first savings account to learn about money and how it all works.

Your passbook and statements let you see how your savings are going, and our KidsFirst newsletters give great advice on how to save **and** spend your money - cause sometimes you've just got to go to the dairy, right!

Here's some other pretty cool things...

We don't take any of your money for fees, or for deposits into your account! We'll give you a great interest rate on all your savings in your account - this means your savings will grow and grow and grow... so the more you save the better!

MONEY TIP 1:

Keep track of your money

Write down any money you spend in a notebook. List what you bought, when you bought it, how much it cost, and why you bought the item. Your money diary will show you where your money goes.

TO OPEN AN ACCOUNT ASK MUM OR DAD TO VISIT A BRANCH OR GO TO OUR WEBSITE FOR THE ONLINE MEMBERSHIP FORM.

MONEY TIP 2:

Save First, Not Last!

When you get your pocket money you should take out what you want to save and put it in your savings account. Whatever you have left, you can spend.

WHEN YOU TURN 12 YEARS OLD YOU WILL AUTOMATICALLY BE CHANGED TO A...
