TEACHER PAID UNION MEETINGS - SCHOOL REMAINS OPEN

Under law, Teachers are able to meet to discuss Union matters twice a year for two hours. The New Zealand Education Institute (NZEI) has called their first meeting for Teachers in the Hamilton area on **Wednesday 20th March, 2019**.

Our Teachers have been very helpful in rostering themselves on different meeting times so that there are at least two teachers in each team at school during the meeting times, ensuring that there is adequate supervision on these days for the children. On these days you will notice different programmes in place to help cater for the children. We are well prepared for this day.

** URGENT ** - SIBLING OUT-OF-ZONE ENROLMENTS FOR 2019 Enrolment Period of 1st June 2019 - 19th December, 2019

The Board of Trustees are looking to accommodate, if possible, younger siblings and children of staff in the 2019 school year. To help determine this, we urgently need to have Out-of-zone Enrolment Forms into the School Office to help with this process. Please complete our standard Enrolment Form for each child, which is available online from our school website www.tetotara.school.nz or by visiting the School Office.

The Board will look at the number of enrolments, the level of projected student growth and determine how many spaces for out-of-zone students are available for the upcoming enrolment period of **1st June 2019 - 19th December, 2019**. This will be completed in late May, allowing for lots of time for families to know what is happening. Further information around the number of out-of-zone spaces to be released will be communicated via the school newsletter over the next few weeks.

Please return the completed OUTZ Enrolment Form, including the relevant documentation, to the School Office by tomorrow, Friday 15th March, 2019.

A MESSAGE FROM NZ POLICE - CYBER SAFETY

Good Afternoon Hamilton Schools,

Over the past year we've seen an increase in cyber related incidents in schools – in particular through the use of Instagram.

The following link may be useful for many of your parents. Instagram and Netsafe have partnered on:

[A Parent's Guide to Instagram: New Zealand Edition 2019.](#)

Although young people are often digitally savvy, they're still developing. They may need your guidance on appropriate online behaviours and how to navigate challenges.

Netsafe's research shows that when young people do reach out for help, parents are still a place that many turn to for support.

As a parent you don't need to be an expert in technology, but being familiar with the technology that young people are using and the challenges that they may experience is a great start.

This guide will give parents (and teachers) that insight and prepare you to give your kids the guidance when they need it.

COMMUNITY NOTICES:

We are often asked to put Community Notices in our newsletter. Due to the large number of requests, we now have a "Community Notices" section on the notice board in the School Office, where you will find more information on the notices below. Please note that this does not necessarily imply School endorsement of these notices.

Hello Community!

We are an **Early Intervention Provider** in your community. Originally a provider of Conductive Education for children with Cerebral Palsy and Spina Bifida, our multidisciplinary team now supports children from across the Waikato Region with a varied range of needs, including cognitive, physical, sensory, social competence and communication, from birth through to 6 years of age.

As a Charitable Trust, Non Governmental Organisation (NGO), most of our funding comes from short term contracts. This does not however fund the upkeep to our premises or daily overheads.

To support the rebuild of our playground, **Wade Racing and Ingham Hyundai** are supporting a '**Conductive Education Superstock Challenge**'

The date is set for this Saturday, 16th March. Gates open at 3pm, racing starts at 5pm. Located at Kihikihi Speedway (just south of Te Awamutu).

Tickets available at the gate. Bring the family, bring a picnic dinner and enjoy a night of action packed racing. Proceeds from gate sales will support our playground rebuild, designed to enable our children to enjoy and participate in outdoor play.

HOW TO BUILD
HAPPY & RESILIENT
YOUNG PEOPLE

Presented by

DR MICHAEL CARR-GREGG

Friday, 15 March 2019
7pm - 9pm

Auditorium, St Peter's, Cambridge
1716 Cambridge Road, Cambridge

Dr Michael Carr-Gregg is one of Australia's highest profile psychologists, author, broadcaster and specialist in parenting, children, adolescents and mental health. He will share his insights on the issues being faced by today's youth and 'How to Build Happy and Resilient Young People'.

It is clear that the wellbeing of today's youth has never been more challenging for parents, schools and communities. Mental, physical and emotional wellbeing issues are now impacting children at a much younger age, making early intervention critical and highlighting the need for easily accessible and expert resources, to enable parents to be more informed.

SchoolTV is a NEW resource that is now available to the parents of students at St Peter's, Cambridge. This innovative resource addresses adolescent issues such as anxiety, depression, body image, stress, online threats and many more.
