2019 BOARD OF TRUSTEES ELECTIONS

Thank you to the parents who stood for the Board of Trustees, it is wonderful to have a community that has many talented people willing to contribute to the school.

Congratulations to our new Board which consists of:

Melissa Guyan

Iain Ings

Mark McMorrان

Deron Sharma

Terence Singh

Anne Fraser (Principal)

TBA (Staff elected member)

Our new Board of Trustees take up their Governance role with their first BOT Meeting at the end of June, this is an exciting time!

Between now and then there will be updated school information provided for the new Board of Trustees team.

I would like to thank the previous Board Members: *Rod Carpinter (BOT Chair) - 6 years service*, *Kevin King - 13 years service*, *Mark McMorrان*, *Rebecca Senar - 2 years service* & *Terry Singh (Deputy BOT Chair)* for their governance work during their time on the Board. They have overseen considerable growth and change in the school and initiated many new opportunities for Te Totara.

A special mention needs to be made of Kevin King whose period of service began before the school opened as an Establishment board member. His outstanding contribution to Te Totara Primary School was from December 2006 to June 2019 and he has been instrumental in ensuring our school has developed from early beginnings to the large successful school we currently have. Thank you so much Kevin for all your efforts and also to his wife Megan, and family Cameron and Sarah for all their support.

WHOLE SCHOOL KIRIKIROA MARAE VISIT

During Week 7 our school will be visiting Kirikiriroa Marae. As we have almost 750 children going, we will go in three groups over three days. Each trip will be about 2 hours. The trips will take place on Wednesday 12th, Thursday 13th and Friday 14th June, 2019. Children will experience a pōwhiri (welcome), learn poi, weaving and listen to a kōrero in the whareniui. This will be the third time our school has visited this Marae and we are incredibly grateful for the hospitality shown to us by the Tangata Whenua of Kirikiriroa Marae. There is no cost involved for the students, who will be travelling to/from the Marae by bus. The school very much values this curriculum experience and we cover all costs involved.

Information for Parents joining their class to visit Kirikiriroa Marae

Parents and whānau are welcome to join their child's class when visiting the Marae however, it's important that we are respectful and follow the correct protocol. It is customary that when visiting a Marae for the first time, that you are to be welcomed in with a pōwhiri. A pōwhiri is a formal ceremony that brings together the manuwhiri (visitors) and tangata whenua (hosts). Visitors all walk onto the Marae together, so it's important that you are there ready to join your child's class at the time given by the classroom teacher. Once the pōwhiri has taken place you'll be free to move around with your child to the different activities, and leave whenever you wish. Your child will return with the school. **Please be aware the third group of each day returns to Te Totara Primary School at 3.30pm.**

LEARNING PLANS HOME - FRIDAY 7TH JUNE, 2019

If your family are in a shared care arrangement, please advise Marise Crow either by email or Ph: (07) 853-0039 ext. 858 a.s.a.p. as to who will be collecting the child/ren from school on **Friday 7th June, 2019**. If you are happy for both copies of the Learning Plan to come home in the same envelope, please also let me know. Email: receptionist@tetotara.school.nz

LEARNING PLANS HOME - FRIDAY 7TH JUNE, 2019

A Learning Plan for each student will be sent home with the oldest or only child from each family on **Friday 7th June, 2019**. However, if your child started at school in Term 2 (or late in Term 1) you will not receive a Learning Plan yet.

The Learning Plans will also be available online from **3.00pm on Friday 7th June, 2019**. Included in the information pack being sent home will be instructions on how to log-on to the Parent Portal site.

The work involved in developing these Learning Plans is immense and reflect our goal of developing a personalised plan for each student.

Much thought and consideration has gone into these Learning Plans. We have managed to include a lot more of each child's comments and goals, to ensure they have an increased sense of ownership of their Learning Plan.

We strongly advise that you:

- Go through the Learning Plan with your child
- Look especially at the "Where To Next" and "Goals set by Student, Parent and Teacher" sections and incorporate these into supporting learning at home.

A REMINDER.... Please keep your Login and Password details for the Parent Portal handy, these will be inside the Learning Plan folder. We encourage families to log-in to the Parent Portal and check that we hold the correct details on file for your child/ren e.g. mobile numbers, home address and email address

For those families who will not receive a Learning Plan for their child/ren, a letter will be forwarded to you with your Parent Portal Login and Password details.

TE TOTARA PAPER RECYCLING - 2018

As part of our involvement with the "Paper4trees" Programme, we are able to swap our paper recycling for trees for the school!

Because of how much paper and card was recycled from our Te Totara classes during 2018, we've been able to get this wonderful selection of native plants from Bruntwood Nurseries for our school - FOR FREE!!!

Thanks Te Totara for supporting recycling, and special thanks to the Lion Foundation for supporting this initiative.

SUPERSTAR 'SPELL-A-THON' - FORMS GIVEN TO YOUR CHILDREN

Te Totara Primary School is holding a Spell-a-thon this term. This is a great way of improving our students' spelling, as well as fundraising towards a cover for our new Matariki playground. It is designed so that family, whanau and friends may sponsor your child. They may offer as little or as much sponsorship as they like – either by sponsoring per correct answer, or by offering a fixed amount sponsorship.

Class teachers will provide the list of age-appropriate spelling words to learn. Please help and encourage your child to learn their spell-a-thon words. The students will be tested later this term at a time to suit individual class timetables.

Your child's test will be sent home so you can see how they did. This sheet will clearly indicate your child's test result. Please use this to write your child's test result on this sponsorship form. Please hand the sponsorship form and money collected (in a sealed envelope) to the Green PTA Box in the School Office once completed.

All students who return their sponsorship money on time will be eligible for cool prizes within their pod. We hope you and your families will support this fun initiative, thank you!

COMMUNITY NOTICES:

We are often asked to put Community Notices in our newsletter. Due to the large number of requests, we now have a "Community Notices" section on the notice board in the School Office, where you will find more information on the notices below. **Please note that this does not necessarily imply School endorsement of these notices.**

Hamilton Moving Together Transport Survey

Hamilton City Council wants to learn more about how people get around Hamilton, to help us better plan for and meet the changing transport needs of our growing city. We're asking our community to please complete a short survey that asks eight questions about how people move around the city, views on road safety, and different ways of getting around. Along with general questions about the person taking the survey, it is expected to take less than 10 minutes to complete.

Results from the survey will help in the building of a transport plan for the city which will help decide where and how to invest in transport and public places. Take the survey at <https://haveyoursay.hamilton.govt.nz/city-transportation/hamilton-moving-together-transport-survey/> Thanks! Cameron Ward, School Travel Co-ordinator. City Transportation.
