Kia Ora to all our school families

Welcome back to Term 3 to all our students and whanau. I hope you all had a wonderful break and did many happy family things together, generally enjoying the slower pace of your days during the holidays.

We have a busy and exciting term ahead which will involve several opportunities for community gathering and participation. Our Cross Country is held in Week 4 (Tuesday 13th August), Learning Plan Discussions with families in Week 5 (Wednesday 21st & Thursday 22nd August) and our popular Art Exhibition showcasing the children's learning is being held at the end of this term (Tuesday 24th September). More information will be coming through our teaching team newsletters, Seesaw app, school newsletter and Facebook page. Check our Te Totara School calendar on our website for all events. It is so good to be back together working with your wonderful children.

**** URGENT ** - SIBLING OUT-OF-ZONE ENROLMENTS FOR 2020**

Enrolment Period of 20th December 2019 - 30th June, 2020

The Board of Trustees are looking to accommodate, if possible, younger siblings and children of staff in the 2020 school year. To help determine this, we urgently need to have Out-of-zone Enrolment Forms into the School Office to help with this process. Please complete our standard Enrolment Form for each child, which is available online from our school website www.tetotara.school.nz or by visiting the School Office.

The Board will look at the number of enrolments, the level of projected student growth and determine how many spaces for out-of-zone students are available for the upcoming enrolment period of **20th December 2019 - 30th June, 2020**. This will be completed in late September, allowing for lots of time for families to know what is happening. Further information around the number of out-of-zone spaces to be released will be communicated via the school newsletter over the next few weeks.

Please return the completed OUTZ Enrolment Form, including the relevant documentation, to the School Office by Thursday 15th August, 2019

PHOTOLIFE CLASS & INDIVIDUAL PHOTOS

Wednesday 7th August, 2019 – Class, Individual & Sibling

Thursday 8th August, 2019 – Class & Individual & Sibling

Note: Wednesday 16th Sept – Groups & Sports (NO Whole School Photo)

Students will need to look their best, so please ensure that ONLY our correct school uniform is worn and that it is in a clean and tidy condition (black school shorts/skort, white polo shirt and red polar fleece).

Soon after Photo Day your son or daughter will bring home an online slip with their unique Shoot Key detailed on it. When you log-in your personalised Shoot Key number will display all the photographs of your child including an individual photo (and sibling photo if you have ordered one).

It is then an easy process for you to shop online and purchase the photographs you want. If you place your order within three weeks of receiving your Shoot Key you will receive free delivery of your order to the school.

If you order after the 3 week free delivery period, a postage & handling fee per order will apply and orders will be sent to your home.

For families who do not wish to use the Photolife online system, order envelopes will be available from the School Office soon after Photo Day.

A Photolife flyer will go home with next week's newsletter.

MEGAN REID

Next week we say farewell to one of our teachers who was working in the areas of Reading Recovery, Ongoing Resourced Student support teacher and classroom release time for teachers at Te Totara.

Megan has been selected for a wonderful opportunity that Sport Waikato is involved with, in our Community of Learning (C.O.L.). It is the new initiative called Takaro-ora – Active Wellbeing. Sport New Zealand has partnered with Sport Waikato and our Community of Learning to pilot a programme for 3 years that seeks to use Health and Physical Education, Sport, Physical activity and Health Promotion as a vehicle to drive greater wellbeing outcomes for young people. Takaro-ora means 'healthy tamariki who live well and grow through play.'

Megan has significant skills in this area, as well as her teaching ability she has a passion for physical activity and wellbeing which she has developed in a Sports team leadership role at Te Totara. This year she has also been responsible for guiding our student leaders.

We thank Megan for her years of service with us and wish her well in her new position. As it involves our C.O.L. we will still retain strong connections with Megan and no doubt she will be sharing many of our wonderful programmes and successes with other schools.

ROAD WORKS ON HECTOR DRIVE

Over the past few months the city council has been working on the extension of Hector Drive through to Kimbrae Drive. We have just been advised this will soon be completed and opened. The school has had some concerns that this road doesn't become a 'shortcut speed' hazard.

I am pleased to inform you that the contractors are currently installing speed humps on the road extension starting with our school pedestrian crossing and a further two before the new Kimbrae Drive intersection which will also be controlled by traffic islands. The total zone will be 40kms only, all of these actions will maintain our surroundings as safe for our students and community.

Unfortunately, we had no prior warning of the work commenced this morning at the pedestrian crossing, so this was the reason I sent out an alert on the School App regarding Traffic Management being in place over the next 3 days. School personnel will be at the 'Drop off' zone and surrounding areas, as usual, so if everyone follows the directions in your usual patient manner it would be very much appreciated.
