END OF YEAR CELEBRATION - TUESDAY 10TH DECEMBER AT 5.45PM

This is our annual event to celebrate another great year at Te Totara. Here is some information to help make it a special event:

- It is a school event, so children need to be in a **clean and tidy uniform** and will be together as a school and are under the control of school staff.
- Please leave your child with us; we will take care of them.
- Students will need to stay through the whole event.
- There will be very limited parking available at the school car park and none in the turning bay.
- It will be best to find a car park on a nearby street and walk.
- It is like a concert in a park so bring a picnic, a rug to sit on, something to eat and drink and enjoy a variety concert.
- We use the hill behind Ra and Earth as outdoor stages where children perform.
- Toilets are open in the Ra and Earth blocks.
- Pre-schoolers are welcome to use the playground away from the performers so they don't distract from the performance.
- Other children not involved in the school are asked to be respectful and if they want to play, then the court area is a good place. There are likely to be over 2500 people at the event so we strongly advise walking to the event.
- Please **NO umbrellas** as it blocks the view of people behind. Low set chairs only are advisable if needed.
- **NO dogs** are allowed on our school grounds.
- We will have a "Paparazzi" section at the front for parents of those performing to use to get a good photo.
- **If the weather is not good, we will postpone to Wednesday 11th December 2019, same time.**
- **Notifications will be put on the school Facebook page, school app and the website.**
- **The event is weather dependent, so may be cancelled at the last moment, but we will do our best to let everyone know as early as possible.**
- At the end of the event which should conclude by 7.30pm, we will need to stagger people leaving due to Health & Safety, so please be prepared to wait a little time. Announcements will be made to help.

FAIRFIELD CLUSTER ATHLETICS

Well done to all the students who competed and also to all the teachers and parents who spent time helping our athletes to master correct techniques and build resilience, speed, strength and stamina leading up to competition day. ADDITIONAL TEACHER ONLY DAYS DURING 2020

The conclusion of the recent employment agreement negotiations for teachers established an additional eight Teacher Only Days for principals or teachers, covered under the Primary Teachers' Collective Agreement and Primary Principals' Collective Agreement. The eight Teacher Only Days will be used during the term of the current three year collective agreements.

These days are focused to provide teachers and principals time to:

- Professional development
- Assessment tools for learning and teaching
- Respond to the reviews and changes that are occurring through the Ministry of Education work programme in education.

The Board of Trustees has decided on the following two **Teacher Only Days** within the 2020 school year:

Friday 29th May, 2020 (Friday before the three-day Queens Birthday Weekend holiday)

Friday 23rd October, 2020 (Friday before the three-day Labour Weekend holiday)

We have chosen these dates as families may decide to take an additional day off and enjoy a 'longer long weekend' of 4 days. These will be on our School Calendar for 2020.

HOLIDAY READING

Over the holidays, students can experience the "summer slump". This is a loss in reading achievement over summer if students stop reading. Providing some fun reading experiences during the holidays can help prevent the summer slump. Here are a few ways to encourage children to read:

- Read aloud to your child. It is the single most important activity for building the knowledge required for their own success in reading. It stimulates their imagination and improves their language and listening skills.
- Encourage your child to read anything - the TV guide, magazines, joke books, recipes, travel guides, video game instructions...
- Find a series for your child to get hooked on. This will make choosing their next book to read easier. A recent survey showed that the primary factor in choosing a book for 7-12 year olds was a familiar character or series.
- Find books that match your child's interests e.g. arts and crafts, skateboarding, cooking, animals.
- Read graphic novels. These comic books can be really appealing for children.

We would like to thank everyone for their support this year. From the parents who organise and volunteer at the events, to the teachers, parents, children, family and friends who come along to support the events, sponsor our children... and especially to the Executive of the PTA who attend every event and meeting and make the events and activities possible for our children and the school community.

2020 has some exciting events planned and we are always looking for new ideas and more people to help in bringing these ideas to fruition. Please let us know or attend a meeting if you are able to help in anyway. Come along to PTA meetings next year, you'll find a friendly team of people that are committed to making our school a wonderful place for learning and fun.
