LAST NEWSLETTER OF THE YEAR

This is the last newsletter of the school year and it is a bumper edition with lots of information. Any further updates will be done via our facebook page, website or school app.

As we come to the end of my first year as Principal of this fantastic school, I really appreciate the real sense of partnership that we enjoy in our 'big family school'. That was so clearly evident in the wonderful End of Year Celebration we shared with you all last Tuesday night. We are very fortunate to continue to share wonderful learning experiences with our families: we really value the help and support that has been provided in so many ways e.g. curriculum trips, learning plan discussions, sports team coaches and managers, the Arts exhibition, library volunteers, play dough creators and shelving of literacy resources.

To any of you who are leaving our community, thank you for your contribution and we wish you well in your future. Year 6 students, keep in touch as we love hearing about your learning journey and the great people you are becoming.

To our amazing families, inspiring staff and our students who are our 'shining stars' - thank you for another excellent year of learning at Te Totara primary school.

I wish you a wonderful Christmas break with your families, take time to enjoy all that summer in New Zealand offers to us, please stay safe and we look forward to seeing you all again on Monday 3rd February, 2020 when our new school year begins.

CLASSES FOR 2020

We have appreciated the input of students, teachers and parents in helping support the decision making process for classes in 2020. Considerable time, skill and energy has gone into putting together the organisation for 2020.

The class for each child will go live at 3.30pm tomorrow, Friday 13th December, **using the same parent log in as for Learning Plans**. Teachers will also go over the classes tomorrow to answer any queries from students before they go home. Details on how to view the classes are in your Learning Plan pack that was sent home last week.

Children will visit their new classes on Wednesday 18th December from 1.30pm - 2.00pm.

* = Team Leader

Some points around our classes:

- We do realise that this is a time of change and that this can cause anxiety, it can also be viewed as an opportunity to experience new classmates and a teacher with a wonderful range of new skills
- We deliberately "mix up" our children so by the time they progress through the school they have been exposed to a wide range of their peer group, building valuable and important relationships within the year group cohort
- We do find that the first transition within the school i.e. Year 1 to Year 2 can cause some concern as the children may be with others that are unknown, similarly moving to a new area of the school. This is understandable and we ask that families support the move with a positive approach
- We do ask that if there are any issues around class placement that families support what is in place and if there are any challenges liaise very early with the new teacher in 2020.
- If there are ongoing concerns then please feel free to contact School Leaders after three weeks of the new school year which allows for the child to settle in and build valuable relationships
- Any requests to change a class from now on is highly likely to be declined as a class change can create a "knock on" effect and not give an opportunity to the child to take on the challenge of a new teacher and make the most of this new opportunity
- To find out more about our approach to how we put our classes together, please see our website.. [How we put our classes together](#)

STAFFING UPDATE

An update on our staffing for 2020:

The current team leader in the Earth Team **Cath Glyde** will be on leave for the 2020 school year. Cath and her husband are looking forward to a year of travel and adventure, starting with South America as their destination in January. We wish them well in their journey and look forward to seeing Cath again possibly as a guest teacher during the year between travels.

The Team Leader in Earth block in 2020 will be **Krissy Tantrum** and in the Ra Team we are delighted to have **Kāren Langley** to lead the team of Year 3-4 teachers in that block.

Two of our current New Entrant teachers **Jodie Hansen** and **Maria Batters** hope to return to us during the 2020 to start up New Entrant classes in Matawhero, when required. It will be great to have them back as we have enjoyed working with them during 2019.

Anna Littler will be moving to more part-time work across the school next year. It will be great to welcome Anna to this role.

One of our long serving Year 1 teachers **Jemma Shannon** will be working as one of our Learning Support teaching team across the school. Her fantastic early literacy and numeracy knowledge will be valuable working with Reading Recovery students and Ongoing Resourcing students to support them with their learning.

OUR SCHOOL OVER THE HOLIDAYS

Our school will be a busy place over the holidays with our caretakers working on projects, this includes:

- Three sun shades are to be installed over the newest playground area. The funding for this has been made possible via a \$20,000 donation from our hardworking P.T.A.

The holiday period will see a number of infrastructure developments occur that have been approved in our 2020 budget.

These are:

- Our I.C.T. communications system will be entirely migrated to the 'Cloud' as our current server is out of warranty period now. We will be installing a small server for the photocopier systems at school. Most of our systems are already 'cloud based', this will complete the process/
- The telephone systems are to undergo a major upgrade as they are no longer compatible with the latest updates.
- Our intercom system is also to receive a major upgrade to allow us to manage it more effectively on-site. This means that we can vary bell times for learning plan discussions, holiday shut offs and other variations via a computer system through the school office.

This is all important work as our school is now 12 years old and infrastructure changes in this time have necessitated these upgrades. By the time school starts the work will be completed

STUDENTS LEAVING TE TOTARA

HOLIDAY READING

Over the holidays, students can experience the "summer slump". This is a loss in reading achievement over summer if students stop reading. Providing some fun reading experiences during the holidays can help prevent the summer slump. Here are a few ways to encourage children to read:

- Read aloud to your child. It is the single most important activity for building the knowledge required for their own success in reading. It stimulates their imagination and improves their language and listening skills.
- Encourage your child to read anything - the TV guide, magazines, joke books, recipes, travel guides, video game instructions...
- Find a series for your child to get hooked on. This will make choosing their next book to read easier. A recent survey showed that the primary factor in choosing a book for 7-12 year olds was a familiar character or series.
- Find books that match your child's interests e.g. arts and crafts, skateboarding, cooking, animals.
- Read graphic novels. These comic books can be really appealing for children.

LIBRARY OPEN DATES
