On Friday we come to the end of the most unusual and challenging term in my career. This term started back in April when we were all in Alert Level 4 of our Covid 19 lockdown. This was such an uncertain time but in true Te Totara fashion we were able to connect our community through our Seesaw portal. We were able to share in some wonderful experiences of online learning, innovative ideas and fantastic family moments. Thank you so much to our families, for making this time apart, a time of new learning and experiences creating special memories.

Then as we moved into Alert Level 3 some of our learners returned to school. We were delighted to welcome them back, sharing unique times over the weeks until we all came back. It was such a great day (and a little scary too) when we all returned to our school site on Monday 18 May (Week 6). The excitement and genuine delight of the students and staff was wonderful and I was so impressed with the way our children said 'goodbye' at the school gate and independently organised themselves for their learning. Another positive outcome of these challenging times! Since we returned the staff has strongly focussed on student learning ensuring that we were able to make gains to get back on track. The major Science and Technology unit this term on Forces has been very interactive and the students have really enjoyed designing, constructing and testing catapults, bridges, toys and various other structures in order to understand the engineering processes. Great fun has also been had...check out our Facebook page.

We have also been assessing student progress over the past few weeks and getting ready to report to you all through our Learning Plans, which will go home at the end of this week. I am very grateful that we have all remained safe and well over the past few months. I hope you and your families have managed to rebound from these difficult times. I know that some families are encountering challenges related to employment and other worries. Please don't hesitate to be in touch with us via myself or through Marise, our Community Liaison officer. We can help in many personal and practical ways to share your load or ease your concerns. It is what we do in the most difficult times that defines the depth of Te Totara as a Community of Care.

As we go into the two weeks of school holidays I wish you a wonderful break with your children, enjoy some of that slower and simpler pace of life that refreshes us all. If you are travelling to see our lovely country with 'fresh eyes', I hope you travel safely. I look forward to seeing you all for more great learning experiences, including a fabulous Senior production to look forward to in Term 3.

LEARNING PLANS HOME TOMORROW - FRIDAY 3RD JULY, 2020

A Learning Plan for each student will be sent home with the oldest or only child from each family tomorrow, **Friday 3rd July, 2020**. However, if your child started at school in Term 2 you will not receive a Learning Plan yet.

The Learning Plans will also be available online from 3.00pm on Friday 3rd July, 2020. Included in the information pack being sent home will be instructions on how to log-on to the Parent Portal site.

The work involved in developing these Learning Plans is immense and reflect our goal of developing a personalised plan for each student.

Much thought and consideration has gone into these Learning Plans. We have managed to include a lot more of each child's comments and goals, to ensure they have an increased sense of ownership of their Learning Plan.

We strongly advise that you:

- Go through the Learning Plan with your child
- Look especially at the "Where To Next" and "Goals set by Student, Parent and Teacher" sections and incorporate these into supporting learning at home.

A REMINDER.... Please keep your Login and Password details for the Parent Portal handy, these will be inside the Learning Plan folder. We encourage families to log-in to the Parent Portal and check that we hold the correct details on file for your child/ren e.g. mobile numbers, home address and email address

For those families who started Te Totara Primary School from the beginning of Term 2, 2020 you will not receive a Learning Plan yet. You will receive your Parent Portal Login and Password details with your child's End of Year Report. Please check with your child's teacher if you are unsure.
