LAST NEWSLETTER OF THE YEAR

This is the last newsletter of the school year and it is a bumper edition with lots of information. Any further updates will be done via our facebook page, website or school app.

As we come to the end of my last year as Principal of this fantastic school, I have really appreciated the real sense of partnership that we enjoy in our 'big family school'. I look forward to celebrating this with you next Monday night at our End of Year Celebration evening, we hope the weather will be kind to us so this can go ahead. We are very fortunate to continue to share wonderful learning experiences with our families: we really value the help and support that has been provided in so many ways e.g. curriculum trips, learning plan discussions, sports team coaches and managers, the Arts exhibition, library volunteers, and covering our literacy resources.

To any of you who are leaving our community, thank you for your contribution and we wish you well in your future. Year 6 students, keep in touch as we love hearing about your learning journey and the great people you are becoming.

To our amazing families, inspiring staff and our students who are our 'shining stars' - thank you for another excellent year of learning at Te Totara Primary School. It has been such a privilege for me to be part of your children's education. I have loved my 16 years in this community and wish you all well for the future.

I hope you have a wonderful Christmas break with your families, take time to enjoy all that summer in New Zealand offers to us, please stay safe and the staff look forward to seeing you all again on Wednesday 31st January, 2024 when the new school year begins.

Ngā mihi
Anne Fraser
Principal

NEW DATE!

END OF YEAR CELEBRATION - MONDAY 11TH DECEMBER AT 5.45PM (weather permitting)

This is our annual event to celebrate another great year at Te Totara. Here is some information to help make it a special event:

- It is a school event, so children need to be in a clean and tidy uniform. Students must be at school by 5.45pm and meet their class at the back field. Please leave your child with us; we will take care of them.
- Students will need to stay through the whole event.
- There will be very limited parking available at the school car park and none in the turning bay. It will be best to find a car park on a nearby street and walk.
- It is like a concert in a park so bring a picnic, a rug to sit on, something to eat and drink and enjoy a variety concert. You are welcome to come earlier than 5.45pm if you wish to eat with your child before the concert.
- We use the hill behind Ra and Earth as outdoor stages where children perform.
- Toilets are open in the Ra and Earth blocks.

- Pre-schoolers are welcome to use the playground away from the performers so they don't distract from the performance.
- Other children not involved in the school are asked to be respectful and if they want to play, then the court area is a good place. **There are likely to be over 2500 people at the event so we strongly advise walking to the event.**
- Please **NO umbrellas** as it blocks the view of people behind. **Low set chairs only are advisable if needed and should be set up towards the sides and back of the field.**
- **NO dogs** are allowed on our school grounds.
- We will have a "Paparazzi" section at the front for parents/caregivers of those performing to use to get a good photo.
- **Notifications will be put on the school Facebook page, school app and the website.**
- **The event is weather dependent, so may be cancelled at the last moment, but we will do our best to let everyone know as early as possible.**
- At the end of the event we will need to stagger people leaving due to Health & Safety, so please be prepared to wait a little time. Announcements will be made by our Principal to ensure everyone moves off safely.

Some points around our classes:

- We do realise that this is a time of change and that this can cause anxiety, it can also be viewed as an opportunity to experience new classmates and a teacher with a wonderful range of new skills
- We deliberately “mix up” our children so by the time they progress through the school they have been exposed to a wide range of their peer group, building valuable and important relationships within the year group cohort
- We do find that the first transition within the school i.e. Year 1 to Year 2 can cause some concern as the children may be with others that are unknown, similarly moving to a new area of the school. This is understandable and we ask that families support the move with a positive approach
- We do ask that if there are any issues around class placement that families support what is in place and if there are any challenges then liaise very early with the new teacher in 2024.
- If there are ongoing concerns then please feel free to contact School Leaders after three weeks of the new school year which allows for the child to settle in and build valuable relationships
- Any requests to change a class from now on is highly likely to be declined as a class change can create a “knock on” effect and not give an opportunity to the child to take on the challenge of a new teacher and make the most of this new opportunity
- To find out more about our approach to how we put our classes together, please see our website. [How we put our classes together](#)

OTHER STAFF CHANGES FOR 2024

With the retirement of **Anne Fraser** at the end of the 2023 school year a reshuffle of the Senior Leadership Team will occur until the new Principal appointment process is complete:

- **Jo Stewart**, our current Deputy Principal will be **Acting Principal**
- **Maree Lewis**, our Assistant Principal will be **Acting Deputy Principal**
- **Caron Ace**, Team Leader of Orion Team will be the **Acting Assistant Principal**. Caron will be released from the classroom throughout 2024 working on Junior School curriculum implementation and assessment projects. Sarah Gill will be Acting Team Leader of the Orion Team in 2024.

We are also farewelling another foundation staff member **Michele Gordon** who is also retiring from a long career in education. Michele has made a significant contribution to our school over the past 15 years, most particularly through her role as Mentor teacher to our teachers who are starting out in their teaching career. She had a passion for supporting teachers starting their careers in schools, at Te Totara she has mentored 25 of our teachers to become excellent educators that foster successful student achievement. Throughout her career Michele has guided hundreds of teachers who have gone on to make a positive impact in the lives of children. Many of these are now senior leaders and Principals.

We also wish **Sarah Kovacs** well in her new position at Woodstock School. Sarah has been with us for the past six years working part time with Reading Recovery and Ongoing Resourced students. She has done wonderful work with our learners whilst working in two other schools. She is looking forward to being able to work increased hours in one school from the start of next year.

We are saying farewell for now to **Kurdt Webber** as he moves off to explore some new more flexible opportunities across education. Kurdt has been with us for the past 3 years developing into a skilled teacher who is passionate about making a difference for those who find learning difficult through circumstances or physical and emotional barriers to learning. He is looking forward to focusing on this side of education in a variety of learning environments, he may often pop up here as a guest teacher.

Levi O'Hallahan has been granted a year's leave to travel to Canada with her family and explore a different country and education system as she will also teach during her time away. Safe travels Levi, enjoy your new adventures and we look forward to seeing you again in 2025.

We would like to thank the following teachers for their wonderful work in fixed term positions for the 2023 school year:

Carol Flower, Angela Sweeney, Jodie Hansen, Hannah Rowden & Marna Bothma

We are very grateful to these teachers for all that you have done for our school community over the past year in the way you have taken over or established a class. It has been fantastic that we have high quality teachers able to step in and continue the learning programmes and keep our students secure and happy through a time of change.

We hope to see you all again soon within our staff, guest teacher or wider school family or as a visitor to our school.

We welcome new teachers **Jim Baker, Tina Walters** and **Erin Stewart** into Te Totara School in 2024. We are excited to be working with Jim, Tina and Erin and know you will enjoy getting to know the staff and your new students at the beginning of next year. We also welcome back **Rebecca Gardyne** to Te Totara who will be teaching in Room 19 next year.

SCHOOL LIBRARY END OF YEAR NOTICES

OVERDUE LIBRARY BOOKS DUE BACK NOW PLEASE

All library books should have been returned last week, however we still have **357 books outstanding**. Could you please have a good look around the house for any overdue library books.

End-of-Year Borrowing

Our library will be closed over the summer holidays. We encourage you to visit and issue books from any of the Hamilton City Libraries instead (the closest are Rototuna and Chartwell Libraries).

We are **open for end-of-year borrowing** and there are two ways to do this:

1. The library is open every morning from 8.15am-9am until the end of term so that parents/guardians can borrow books for their children, or
2. You can complete **this form** that gives permission for your child to borrow six books over the school holidays.

To borrow books students **must be returning to the school next year** and have no outstanding invoices or overdue library books. All books are due back by Friday 9 February (the end of the second week back at school).

Holiday Reading

Over the holidays, students can experience the "summer slump". This is a loss in reading achievement over summer if students stop reading. Providing some fun reading experiences during the holidays can help prevent the summer slump. Here are a few ways to encourage children to read:

- Participate in Hamilton City Libraries' free Summer Reading Programme (from December 18th)
- Read aloud to your child. It is the single most important activity for building the knowledge required for their own success in reading. It stimulates their imagination and improves their language and listening skills.
- Encourage your child to read anything - the TV guide, magazines, joke books, recipes, travel guides, video game instructions...
- Find a series for your child to get hooked on. This will make choosing their next book to read easier. A recent survey showed that the primary factor in choosing a book for 7-12 year-olds was a familiar character or series.
- Find books that match your child's interests e.g. arts and crafts, skateboarding, cooking, animals.
- Read graphic novels. These comic books can be really appealing for children.
- Give your child a choice between going to bed or having an 'extra' half hour to read.

LEAVING TE TOTARA PRIMARY SCHOOL?

A notice regarding ezlunch / KINDO School Shop

If you are leaving your current school, here's some information to make your changeover streamlined:

If your family is leaving our school and has been using ezlunch or KINDO, please make sure to stop any regular automatic payments that have been set up before the school year finishes. You may also need to transfer or close your account which can be done as follows:

- Not sure if your new school is using KINDO? If you're not sure if your new school is using KINDO, you can either ask them directly or go to "My Details" in your KINDO account and click on the list of schools to see if your new school is listed.
- New school **IS** using KINDO. If your new school is using KINDO, simply click on the new school from the list in "My Details" of your KINDO account and you'll be attached to the new school's menu. Any balance on your KINDO account will remain available to spend with the new school.
- New school is **NOT** using KINDO, or you no longer need KINDO. If you need to close your KINDO account, use the "Close Account" button within the "My Details" section of your KINDO account. You can either withdraw your account balance or choose to donate your balance to the school. Please note that all withdrawals will be made via electronic payment to your New Zealand bank account. KINDO is unable to process cash withdrawals.
- If you are wanting to withdraw your KINDO account balance or make a donation that exceeds KINDO'S threshold (currently more than \$10,000 total within one year), KINDO may need to undertake some identity checks on you to comply with its obligations under the Anti-Money Laundering (AML) and Countering Financing of Terrorism (CFT) Act 2009. Please action the withdrawal or donation in your KINDO account as outlined above and if these AML checks are necessary KINDO will advise of the next steps required in this regard. KINDO has endeavoured to make this process as pain-free as possible and appreciates your patience.
