THE FUTURE

It's important to think about and plan for the future - even when you're a kid!

Where do you think you will be in 20 years? Do you think you will be zipping around in a spaceship? Wherever you'll be, you will still need money, that's why it's important to be a super saver and do school banking each week!

Saving money when you are young will make your life easier when you are older. When you are a grown up you might want to buy a car or house - imagine what a cool car you could buy if you start saving now!

SAVING SHOULD BE A LIFELONG HABIT, JUST LIKE BRUSHING YOUR TEETH!

2013

COOL FACT...

WE REWARD YOU FOR SAVING WITH US! We give you a present just for opening an account, then you get a treat after your 5th and 15th school banking deposit!
