Water Safety

ouch!
HOW CAN YOU TELL THERE'S A STEGOSAURUS IN YOUR REFRIGERATOR?

THE DOOR WON'T CLOSE!

I can't wait for summer, how about you? I love swimming in the school pool and at the beach with my friends, so I thought I would share some water safety tips with you!

- 1 Swimming in water that is too deep can be scary! Make sure your feet can always touch the bottom.
- 2 Walk, don't run around pools - it can be slippery!
- 3 Always swim between the flags at the beach - that way if you get into trouble the life guards will be able to see.
- 4 Make sure there is an adult around when you are swimming.

Doggy paddle anyone?

Noah Davies of Te Totara Primary School, Hamilton's Positive Young Star for August. Noah is a very vibrant student who oozes positivity. His previous teacher Mrs Kirkham says that, "Noah always models good work habits with a stunning attitude. Noah is quick to help others in his class and shows respect to adults and his peers". Noah hopes to work with animals or with people which ties in well with his awesome personality. Well done Noah for receiving this month's Positive Young Star Award.
